
A Call for a Juvenile Justice System That Heals

Sunday, May 24, we will be joining over 200 congregations and faith-based groups for “Juvenile Justice Sabbath”

Join us at the
Armenian Church
Youth Ministries Center
632 W. Stocker St., Glendale, CA 91202

as we offer special prayers during the Holy Divine Liturgy for incarcerated children.

✓ *Did you know? California spends about three times as much money per prisoner as per public school pupil. Today: Children are being tried as adults. Please check out the Faith Communities for Families and Children website: fccla.org for more information about this serious problem and what YOU CAN DO to make a difference*

During the Liturgy on May 24, Fr. Vazken will use a chalice that was given to him by a chaplain at one of the juvenile detention centers in Los Angeles. In this way, we will share and drink from the same cup as our imprisoned children. The sermon will be dedicated to the issues of children and justice. There will be information available for distribution and at the conclusion of the service, we will watch:

a short video presentation

“God Cries When We Sentence Youth to Die in Prison”

Divine Liturgy (Mass): 10:30AM; Sermon: 11:30AM; Video presentation following.
